WORK IN DENMARK

HEAD OF FLOW LABORATORY

Do you possess a deep knowledge about flow metering, and do you want to contribute to expanding our expertise in the field? Do you want to work with flow measurement at a high professional level and have contact with external laboratories and knowledge centres internationally? Would you like to become a part of an

international company in rapid growth? Become part of the metrology team at Kamstrup We are experiencing rapid growth and are investing massively in development and production of intelligent metering equipment and systems for wireless reading of consumption meters for electricity, water and heat. In the position as Head of Flow Laboratory, you will become a part of Kamstrup's quality department and you will be referring to our Vice President for Quality & Environment. In the quality department, you will play an important role in the metrology team. The team is responsible for the accuracy of our products and works across the organisation to optimise equipment for flow metering. In addition, they are responsible for insuring that our flow benches live up to regulatory and internal requirements. You will find yourself in a creative and professional environment and will be working closely with colleagues from both the production and technology departments.

EU PROJECT FINANCE MANAGER (m/f)

Duties: You will work in the ILL's European office and be involved in all aspects of project management. You will work closely with the ILL project leaders and assist them in

the financial management of their projects. You will be interacting efficiently with scientists and engineers, with a view to limiting to reasonable levels their administrative workload. Your duties will include the following: □ Financial reporting (to the European Commission as well as 3-monthly interim reporting to the coordinator) for several EU projects; □ Checking the compliance of existing financial reporting procedures at ILL, complying with the provisions of the Model Grant Agreement; □ Ensuring the compliance of ILL's financial reporting procedures with evolving EU regulations; □ Preparing project management dashboards. □ Preparing and monitoring EC and internal audits. □ Organizing meetings (external/internal/virtual) and writing minutes and notes; <http://bit.ly/2ldoMul>

CONTRATACION DE PROFESORADO DE ESPAÑOL EN FRANCIA

La administración educativa francesa está dividida en entidades territoriales denominadas Académies que gestionan, entre otros asuntos, la contratación de personal docente. En algunas de ellas se pide que el candidato mande una serie de documentos (CV, carta de motivación, títulos, etc.) a una determinada dirección postal o un email de contacto; en otras, sin embargo, se solicita que el candidato se dé de alta en una aplicación gestionada por la propia Académie en la que se le solicitarán los datos necesarios.

Teacher of Spanish

We are looking for an enthusiastic and engaging qualified Teacher of Spanish. You will need to be an outstanding teacher with a commitment and passion for your subject as well as Leadership and Learning. Harris Invictus Academy Croydon was rated 'outstanding' in every category following its first ever Ofsted inspection in October 2016, only the seventh secondary free school in London to be rated 'outstanding'. The academy opened with its first cohort in September 2014 and moved into a state-of-the-art, new building in September 2017. Harris Invictus presently has students from Year 7 to Year 10. The academy is oversubscribed and located in an area of disadvantage in West Croydon. What we are looking for:

- A qualified teacher (holding QTS or equivalent and a relevant undergraduate degree) to teach across all key stages and who has excellent subject knowledge;
- A committed practitioner, who will want to attain the highest standards in teaching and learning and who will expect excellence from the students;

MÁS INFO: <http://bit.ly/2FC4fdP>

Spanish TA - Small Independent School, 15 Students per Class!

Job Description NonStop Education are currently working with an independent school to source an outstanding Spanish TA, who will work in a class of just 15. This

is an exciting opportunity to work in a unique environment. Due to a TA returning to Spain, this family run independent school are seeking a committed, skillful Teaching Assistant to work permanently on a full time basis. The main thing this post offers, which others don't, is the chance to work in tiny class sizes. Working with about 15 students per group, you'll have about half as many students as the typical mainstream / state school. This offers massive benefits, such as building a closer relationship with the students, and having a lot less stress. The school are ideally seeking a Spanish Specialist TA; so speaking Spanish would be preferable to help with Spanish lessons, however this is not essential. Apply now to be a part of this exciting, rewarding and highly sought after opportunity. <http://bit.ly/2mQjPR>

Quality Assurance and Proofreading Executive

Quality Assurance and Proofreading Executive Location: City of London Salary: £23,000 to £26,000 pa depending on experience About the company: Our client, a registered charity, is the largest and most widely respected professional body for those who work in the UK securities and investment industry. Its aim is to promote high standards of competence and integrity amongst its 40,000 members and the industry, and as the main examining body for the industry, offers its internationally recognised examinations globally. They are looking for an individual with the qualifications and experience to fulfil the role of Quality Assurance and Proofreading Executive. The post is entirely office based, as the post-holder needs to work as part of a busy team. Duties of the Quality Assurance and Proofreading Executive: • Proof reading and amending documents for spelling and grammatical errors • Formatting and amending documents - checking for a consistent layout and readability • Liaising with internal departments and third parties • Translation between English and Spanish • In addition, employees are required to carry out any other duties as may reasonably be required Requirements of the Quality Assurance and Proofreading Executive: • Experience of proofreading technical, high-level documentation <http://bit.ly/2rj0lIO>
