NORUEGA:

Optometrista con inglés.

Salten Synssenter. FAUSKE (Noruega) saltensynssenter.no Salten Synssenter AS is a well established optical company with headquarter in the center of Fauske, a small town in the county of Nordland, and in Fauske commercial park. We are a member of a chain (C-optik) which currently has more than 100 member companies in Norway and collaborate with Swedish and Danish colleagues. We are looking for an optometrist to fill a 100 % position. The right candidate has to be extrovert and positive with the ability to work independently and structured. Cooperative skills are necessary. We emphasize personal qualities such as flexibility, creativity, attitude and good humor. We also focus on quality and service and urge our optometrists to

participate in courses and developing their competence. Norwegian, Swedish or Danish language would be an advantage. <http://bit.ly/2P9IEze>

Especialista en ortodoncia con inglés.

Tannhelsesenteret Lørenskog As. Lørnskog (Noruega) www.tannhelsesenter.no Description of the company The clinic in Sogndal opened March 2013. We offer specialist treatment in orthodontics, oral surgery, periodontics, endodontics and dental sleep medicine. The orthodontic activity has grown regularly. We are now seeking a full-time position for a specialist. We are seeking a specialist in orthodontics for this full-time position in Sogndal, but we can also consider a solution in which two orthodontists travel back and forth to the clinic. Housing prices are extremely low in comparison to prices in the bigger cities <http://bit.ly/2QwzDQZ>

Desarrolladores de software (inglés) Oslo, NORWAY

You will work in the full stack product team to create optimal experiences for our customers, agencies and publishers. You will utilise a variety of backend technologies to make sure: Our customers ad campaigns match the right articles (Solr). Data points for customer entities such as campaign performance, budget pacing and balance are processed correctly (Java). We have the right data model to support this (SQL). You'll take part in decisions related to new development projects and software portfolio life cycle. You'll do project scoping and requirement specification with the rest of the team. You'll challenge our status quo, drive innovation and apply agile best practices (we know we have a way to go). You are an experienced Java developer and expert in backend technologies. Knowledge of other languages like Python, Perl or JavaScript is a real plus. It is natural for you to work with debugging tools and testing frameworks such as JUnit and Mockito. <http://bit.ly/2wQj4aB>

On admission, some students are selected for their aptitude for Modern Foreign Languages and follow a specialist language course. Chestnut Grove is a high performing, 11-18, multi-cultural school in Balham, South London. Our motto is a 'Creative Learning Community', demonstrating a commitment to providing our students with an innovative and exciting curriculum. We have recently undergone a multi-million pound building programme which has provided staff and students with a modern building. This post is suitable for either a NQT or a more experienced practitioner. As the lead partner in the Wandle Teaching School Alliance we are able to offer exceptional opportunities for professional development. An information pack, including a Job Description and Person Specification can be downloaded below from the school's website: www.chestnutgrove.wandsworth.sch.uk, <http://bit.ly/2O7Q4X1>

RECRUITMENT SPECIALIST (With Spanish)

Unico Recruitment are excited to be working with this fantastic brand in West London to recruit a Sourcing Specialist, Europe for a brand new team. This is a permanent role and will be based in at the London Head Office of this international organisation
The Recruitment Specialist will play a critical part in sourcing senior level (Senior Manager, Director and above) roles in various functions across Europe. Key responsibilities will include: •Using sourcing tools and techniques to identify candidates across a range of channels including LinkedIn, search engines, social media profiles & employee referrals •Engaging and qualifying candidates, ensuring you are an expert about and can be a true ambassador for the business •Partnering with hiring managers to build high-quality shortlists on hard to fill roles, alongside building potential talent pools for future vacancies <http://bit.ly/2Caaqaa>

Teaching Assistant

Thank you for showing an interest in becoming a French or Spanish club teacher. We run over 60 clubs in Kingston, New Malden, Molesey, Walton, Esher, Teddington and Twickenham. Looking for those **who are confident in French or Spanish**, reliable and have their own means of travel. Club hours are mostly lunchtimes and after-school in primary schools. •I will arrange for you to visit a club so that you can see if you would like to work for us. •You

will then be invited for interview at our office in Molesey. At the interview I will explain the training and ask you to complete the teachers agreement and the DBS form. Please bring your passport or driving licence or proof of address and ID. •Pay rates depend on experience, starting at £10 for assisting <http://bit.ly/2y3oaBE>

English to Spanish translator

We are looking for dedicated translation professionals who can keep up with the fast-pace of technology and client demands, and who can competently handle a variety of linguistic tasks: translating, reviewing, post-editing, updating glossaries, creating style guides, coming up with slogans and with texts that work in the target culture. If you have copywriting talent – even better! **Main tasks** Successful applicants will be involved in translating product descriptions, training materials, website content, marketing copy, user interfaces and operating instructions. You'll be using CAT tools on a daily basis, and you won't have time to get bored. You're bound to love the international atmosphere, comradeship and great cultural experiences of your work environment.

Spanish Credit Controller

Customers love our leading brands; Timberland, The North Face and Vans just to name a few. We build close relationships with our partners, deliver an excellent service to our customers and as a global business, we've continued to go from strength to strength.

If you are fluent in English as well as Spanish, this is an exciting time to join our rapidly growing Credit Department, where you will manage customer accounts for the UK market for major online and high street retailers across Europe. To achieve this, the Spanish Credit Controller role will involve: •communicating with customers in their native language, over the phone and by email to discuss payments, credit terms and to resolve any queries •chasing debt to achieve department targets and to effectively clear disputes •controlling the customer database and maintaining up to date files discussing credit limits and escalating debt up to and including the litigation team •assessing and reviewing credit limits to provide the best customer service.

To join us, you must be: •fluent in English and Spanish to business level. •financially and commercially aware with excellent numeracy

skills •highly customer focussed and results driven to resolve queries •Computer literate, including Excel. <http://bit.ly/2PejlGH>

Equity Fundamentals Analyst - Spanish/Portuguese Speaker

You love the pace of the financial markets and you're always on the pulse with the latest market movements. You're the type of person that looks beyond the headline. You live for the detail and understand the importance of the underlying data that inspires breaking news and analysis. You enjoy the challenge of solving complex problems and improving processes relying on technology. You're just the sort of person we are looking for to join our Equity Fundamentals team in Global Data. The Team: Bloomberg runs on data. As a team we're responsible for reporting and enhancing fundamentals related content for the Bloomberg Terminal. <http://bit.ly/2ykDf8a>
