➤ FRANCIA

Scientific Software Programmers - (M/F)

Duties:

The mission of the Scientific Computing (SC) Group is to deliver and support the critical data treatment software that enables visiting scientists to exploit their scattering data effectively during experiments. This covers everything from ab initio simulations to data reduction and data analysis. Working with 8 other team members, your duties will include: ☐ Implementing data reduction workflows in the Mantid code ☐ Participating in the development of, and providing user support for, the most widely used data analysis software (e.g. SasView, BornAgain, QENS, FullProf, ...) ☐ Supporting existing simulation codes (both classical molecular dynamics and DFT) with a view to optimising the experimental strategy through a virtual experiment ☐ Validating results against existing software and developing 'user friendly' graphical interfaces ☐ Coordinating your actions with scientists and software developers to ensure that the software is delivered in a timely and effective manner. <http://bit.ly/2QggCGJ>

RESEARCH SCIENTIST (M/F)

Within

the Spectroscopy Group, the instrument IN16B is one of the world's leading back scattering spectrometer. Equipped with various options (phase transformer, different analyser sets, Time of Flight inverse spectrometer, BATS) it has always been a particularly creative development site for the technique as well as an outstanding source of publication record on various fields. It is ideally suited to high-resolution neutron spectroscopy in the 0.1 μeV – 200- μeV energy range. The instrument is also very much appreciated for its ability to receive specialised sample environment for combined methods. We are constantly aiming to push its efficiency and to exploit its potentials further. <http://bit.ly/2Qun212>

MECHANICAL ENGINEERING TECHNICIAN - Reactor Block Maintenance - (M/F)

Duties: As a member of the 'Reactor Block, Fuel & Sources'

group, which is responsible for the operation and maintenance of the mechanical equipment connected to the core of the high-flux reactor, you will be in charge, along with two other technicians, of: ☐ changing samples on the experimental instruments inside the reactor block ☐ preparing and performing maintenance operations on mechanical equipment in a radioactive environment ☐ designing and implementing improvements to the equipment ☐ monitoring work carried out by sub-contractors ☐ performing mandatory periodic tests ☐ drafting procedures, technical specifications, reports, etc., ☐ assisting on an occasional basis with the operation of the other equipment under the group's responsibility. <http://bit.ly/2Db7PhJ>

CONTRATACION DE PROFESORADO DE ESPAÑOL EN FRANCIA

La administración educativa francesa está dividida en entidades territoriales denominadas Académies que gestionan, entre otros asuntos, la contratación de personal docente. En algunas de ellas se pide que el candidato mande una serie de documentos (CV, carta de motivación, títulos, etc.) a una determinada dirección postal o un email de contacto; en otras, sin embargo, se solicita que el candidato se dé de alta en una aplicación gestionada por la propia Académie en la que se le solicitarán los datos necesarios.

➤ NORUEGA:

Médico especialista en urología con inglés. Haugesund, Noruega

We have an available full-time, permanent position for a specialist in Urology. The Urology Unit is part of the Surgical dept, and is staffed with 4 consultants and 2 residents. We have a shared on-call rota for the whole surgical dept, which covers all surgical out-of-hours calls. Only consultants qualified in general surgery take part in the on-call rota. The elective daily activity encompasses ward rounds, outpatient clinics and operative procedures. In addition to the usual urological operations for external genitals, TURB, TURP, transvesical prostatectomies, URS, we perform renal cancer surgery, including laparoscopy, and laser stone surgery with RIRS and PCN. The staffs are very flexible and friendly. Norwegian language is a requisite for the position, and the candidate will be asked to pass the "Bergen test". We are prepared to consider an introduction period with language teaching. The position announced is a full-time permanent one, but we would consider long and short time locum applications. <http://bit.ly/2G5BaNp>

Especialista en ortodoncia con inglés.

Tannhelsesenteret Lørenskog As. Lørnskog (Noruega) www.tannhelsesenter.no
Description of the company The clinic in Sogndal opened March 2013. We offer specialist treatment in orthodontics, oral surgery, periodontics, endodontics and dental sleep medicine. The orthodontic activity has grown regularly. We are now seeking a full-time position for a specialist. The clinic also has a full-time dental secretary and a dental hygienist has been trained to provide clinical patient treatment and works 60% of the time in collaboration with the orthodontist. The turnover is good.

The clinic is a branch of Tannhelsesenteret Lørenskog, one of the major dental clinics in the Oslo region. <http://bit.ly/2SX6D6Q>

Spanish Teacher Required Derby

A large mainstream secondary school in Derby have approached TeacherActive to help recruit for a full time Spanish Teacher starting in January. This will be a full time role which will involve planning, preparation & marking. The role requires an exciting teacher who is able to engage students and make a difference in a school that has some challenging groups. A strong classroom presence is therefore essential for the

successful teacher. Applicants are required to have:

- QTS/NQT status
- Experience teaching Languages up to Key Stage 4, Key Stage 5 experience not essential but useful
- A desire to make a difference to the education of students you work with. If you are a teacher interested in this role, contact Megan on 01158241888 or email your up to date CV to megan.graham@teacheractive.com

Graduate Trainee Administrator (Spanish)

Location: London EC3M 3BY Salary: £23kpa increasing to £26kpa after one year
Hours of Work: 35 hours
About the Graduate Trainee Administrator role : Are you a recent graduate looking for a career in business? Our client are looking for an enthusiastic graduate, with a good degree, to join their one-year training programme, which combines on the job training, with taking a number of the CISI's industry qualifications. This is a permanent job, based in their City of London offices in the 'Walkie Talkie' building. The first part of the programme will give you the opportunity to start developing your skills and experience. You will be based in their Customer Support Centre, dealing with customers who contact them, by telephone and email, with queries, requests for information and to book exams or join the Institute. You will then continue to gain skills and experience as you may move to a new role within the team, or another department, taking on more responsibility or undertake project work.
Graduate Trainee Administrator Requirements :

- A strong degree (a minimum of 2:2) and GCSE English and Mathematics, grade A-C or equivalent
- Excellent communication and interpersonal skills as trainees will communicate at all levels, often speaking with clients over the phone and in person, and working with colleagues
- IT skills, including a good working knowledge of Excel and Word
- Good attention to detail and accuracy in your work
- A Spanish degree or able to speak Spanish is essential

<http://bit.ly/2E5Fjyk>

Graduate Spanish Tutor

to join our outstanding team at Harris Academy Bermondsey. Our Tutors deliver additional GCSE and A level support to our students, from Year 7 through to Year 13, alongside their regular curriculum to help improve outcomes for all our students. We want to hear from experienced tutors and recent graduates who are passionate about their subject and want to make an impact by improving the learning of our amazing young students. The Full Time Equivalent salary is Grade 5 Point 23 - 25 (£25,233-£26,658). This is a term time only role and any agreed salary will be pro rata for the remainder of the year to 31st August 2018. Your opportunity You will work with students either on a 1:1 basis, or in small groups to provide dedicated intervention support which meets the individual needs of our students. <http://bit.ly/2G1mdvJ>

Spanish teacher

required for a full time and long term role from January We are currently looking for a qualified Spanish teacher who can also teach French up to KS4 for one of our secondary schools in Derby. The role is on a long term basis and you must be able to commit to 5 days per week. You will be required to take on planning and marking and will also be required to take on five lessons of French. You must have excellent classroom management skills. If you are interested then please contact Ashton on 0115 824188 or send your updated cv to ashton.woolleyteacheractive.com All applicants will be contacted to discuss suitability and then invited to register with TeacherActive. Registration involves an enhanced DBS check, ID checks and will require you to supply good professional references. We pride ourselves on excellent service. We can provide a wide range of opportunities in schools and other educational institutions, with good rates of pay, at times to suit your needs. Regular external audits have shown repeatedly that our standards are exceptional. We are passionate about finding the right staff for each environment. TeacherActive is an equal opportunities employer, and operates as an Employment Business in providing temporary or contract job-seeking services. <http://bit.ly/2zOHeV5>
