

BOLETIN EURES DE OFERTAS DE EMPLEO (MARZO 2022)

La **movilidad transeuropea sigue sometida a presiones e incertidumbres** derivadas de la pandemia COVID 19. Por tanto, sigue siendo **MUY RECOMENDABLE informarse de las condiciones de acceso a otros países europeos antes de organizar el viaje**. Para ello es muy útil esta web: <https://reopen.europa.eu/es>, para informarse de si hay algún tipo de nueva documentación o normas de cuarentena vigentes en el país de destino. Si eres uno/a de nuestras usuarias y usuarios residiendo en otro país europeo y estás pensando en volver a España, no dejes de consultar esta web del Ministerio de Sanidad del Gobierno de España: <https://www.spth.gob.es>, para conocer el proceso de control sanitario que tiene establecido nuestro país. Les recomendamos que si tuvieran que incorporarse a un puesto de trabajo que suponga desplazarse a otro estado se pongan en contacto, preferentemente por email, con la Consejería de Trabajo de España en el país de destino. Aquí tienen todos los contactos: <https://bit.ly/2UzoqUD>

Les recordamos que pueden contactar con nosotros directamente y en el **chat EURES** <http://bit.ly/2Fn67sT> cada viernes.

Directorio de Consejeros EURES de Andalucía.

**Novo Nordisk New Manufacturing Talent Program at our Manufacturing Hub in
Kalundborg, Denmark.**

This is your chance to join us!

At our Active Pharmaceutical Ingredients (API) Manufacturing Hub in Kalundborg, Denmark, we are hiring **recent or-soon-to be graduates for a new Talent Program within Pharmaceutical Manufacturing and Technology. We're seeking a diverse background of applicants within Science, Engineering, IT & Automation and Robotics.**

You will get a deep understanding of Manufacturing in Novo Nordisk and our manufacturing methods. You will work on various projects to improve and increase our production, reach our sustainability goals, and escalate our industry 4.0 transformation.

The Manufacturing Talent Programme is a permanent position where the first two years consist of three rotations. The first rotation will consist of manufacturing process exposure. The second will consist of data analytics exposure. The third will be either within it/automations, robotics, manufacturing development, or within our major green fields projects, taking part in establishing sustainable and state-of-the-art green field manufacturing facilities.

Apply today

Ready for a life-changing career within large scale biotech manufacturing in an international environment?

Read more and apply: <https://bit.ly/34xAZrg>

Novo Nordisk Manufacturing Hub in Kalundborg is growing

Today, our 3,200 employees manufacture half of the world's insulin and a number of biopharmaceutical products. Furthermore, our finished product sections assemble and pack diabetes and biopharmaceutical products. Novo Nordisk invests more than 17 billion DKK in three new manufacturing facilities and expansion of an existing facility in Kalundborg, Denmark. This will establish additional capacity across the entire value chain from manufacturing of active pharmaceutical ingredients to assembly and packaging. With the investment, 400 new jobs will be created. This is your opportunity to be part of our exciting journey and help establish the future factories of Novo Nordisk. The new facilities include state-of-the-art production technologies, which will be bridged with our more than 50 years of experience in biomanufacturing. We also have many interesting career opportunities in our existing facilities.

✓ **Chefs (2-3 puestos)**

We have 3 restaurants in Svaneke one of the most beautiful cities on Bornholm, a family restaurant, a brewery restaurant, and a fish restaurant. We are looking for 2-3 chefs both seasonal and all year. The restaurants are busy, especially during the tourist season, from April – October, peak season is July and August. Fuente web EURES España. Más info: <https://bit.ly/34zvHvn>

✓ **Sous chef**

As our skilled sous-chef is pursuing other challenges, we are looking for a new souschef. Le Port is an old, family-owned restaurant that goes back to 1976. The restaurant is beautifully located, overlooking the Baltic Sea and often with the most beautiful sunsets. We cherish being part of the local community, as well as sustainability, animal welfare and ecology. We want to give our guests a complete experience, in which our cuisine, service and exquisite views come together in perfect harmony. Fuente web EURES España. Más info: <https://bit.ly/3vWPosk>
