

DISINFORMATION IN THE EU 2024-2029: CHALLENGES FOR A NEW TERM

Fundación Maldita.es and the University of Granada are pleased to invite you to the exclusive event **"Disinformation in the EU 2024-2029: challenges for a new term"**, which will take place on **September 27 at the Press Club in Brussels.**

This event will bring together leading experts, policymakers, and practitioners to explore the future landscape in the fight against disinformation.

The discussion will cover the open fronts of this new term in the European Union, the legislative tools that were established during the past five years and now need to be implemented, and the priorities and avenues for collaboration in safeguarding the integrity of information.

Moreover, the debate will focus on the challenging task of countering disinformation in messaging apps in the light of the latest research conducted by Maldita.es and the University of Granada on Telegram public channels.
